President's Letter

And, we're Off!

2020 is underway and we are off to a great start! The planning meeting for the upcoming year was held a few weeks ago and we had over 20 attendees offering insights and opinions on how best to proceed with planning for the DMC community in 2020. See the calendar section at the end of this newsletter for a full list of dates. A hearty thanks to ALL who attended! Great ideas, great people, great plans!

Hanging out with my DMC buddies is a highlight and I'm looking forward to another great year. Whether it's a mountain drive, garage day, holiday party, Bandimere Club Clash or an post-event dinner at a nearby eatery - time with DMC always brings a smile to my face!

Here are a few quick updates:

- **Dues are now due!** (\$40, see details below.)
- FunRun Destination will be unveiled on Friday
- DMC has some great partner sponsors! In addition to our corporate sponsors, **Phil Long** and **Chrome**, I wanted to send a hearty thank you to Jay Corken of HighlandsRanchCollisionCenter.com for his FunRun sponsorship in 2019.

I look forward to seeing everyone on Friday evening and sharing some great news about the year ahead!

In the spirit of ♡Valentine's Day...

Avec amour,
- Mike

HANDS OF THE CARPENTER – 2019 FLASHBACK

The DMC took full charge of the volunteer event on January 25th. It was quite the milestone where our club did everything, start to finish! In addition to changing oil, fixing broken tail lights and doing minor maintenance, we handled paperwork and processed transactions.

DMC came in full force with "Hands-Newbies" **Sam Mazzucca** and **Terri Lillibridge**. Our Hands DMC veterans who also helped out included **Tim Steenson**, **Steve Katz**, **Dave Jorgenson**, **Tim Schneider**, **Patrick Baldwin**, **Mark Gomez** and DMC friends **Doug Jones** and **Scott Rosenthal**. Together, the

team worked on 14 cars.

Special THANKS to our great club who supports a great cause by donating their valuable time. Please consider joining the DMC for our next volunteer day on March 28th.

Here are the dates for 2020. Please update your calendar accordingly, and contact [Mark Gomez](#) to sign-up.

March 28 * April 25 * June 27
July 25 * September 26 * October 24

Safety Tip

What Happens if Your Car Is Totaled?

Keep on reading to learn what goes into the decision and what your options are. If your car has been damaged and the potential repair costs exceed the value of the car, it is considered a total loss. Here are answers to five common questions that spring up when a vehicle has been declared totaled.

1. Why was my vehicle totaled?

After a loss (for example: a collision, vehicle fire or flood damage), there are a few reasons your vehicle may be declared a total loss. Often, the repairs are estimated to cost more than what the vehicle is worth. Vehicle worth is determined as being the actual cash value determined by its year, make, model and major options, as well as mileage and overall condition. (Though the damage

may not look bad, the repair can often cost much more than you'd think.)

Other reasons for totaling a vehicle include when the damage makes the car irreparably unsafe or if your state's regulations require it for your vehicle's damage severity.

2. How much will I get?

You'll receive the determined actual cash value of the vehicle, minus the deductible you chose when insuring it, as well as any applicable state/local taxes and/or fees.

3. What if I'm still paying off the vehicle?

You'll be responsible for satisfying your entire loan agreement, whether or not the money you receive covers it all. This is why you might consider GAP (Guaranteed Asset Protection) insurance, so called because it covers the gap between what you owe on the vehicle and its current market value. If you have your vehicle loan with certain financial institutions, ask about GAP coverage as it may included with your loan (or available as an option).

4. What if I want to keep my vehicle?

Talk to your auto insurance company or speak with your insurance agent (or claim representative) to see whether state regulations allow you to keep your vehicle and, if so, what your reduced payment amount would be.

5. What do I need to do if I decide to surrender it?

First, clear out the car and remove personal items and paperwork. If possible, clear your information from the navigation and mobile phone systems, and take off the license plates. Round up all copies of the key and the title.
